6. Matters Arising:

- a. Notice board – The notice board has dried out and it was agreed for Mr Kirk to place it on the outside of the bus shelter
- b. Police & Partners Meeting – Mrs Wallace attended the meeting and it was very informative. Hedon Police station is going to close and be based at Preston Fire Station. Domestic Violence is on the increase with around forty cases per day. Discussion took place around traffic calming measures and there is a road safety car which will attend community events if asked.
- c. Defibrillator - Mrs Nicholson has looked into this and will get prices and information to apply for grants. It was agreed we probably need one for Elstronwick / Danthorpe and Lelley, the initial cost was around £1500 each and then they would need electric. Mrs Wallace said she was willing to have it placed on her wall in Lelley and they could use her electric. Mrs Nicholson to enquire about electric at the bus shelter in Elstronwick.

7. Highways:

Ings Bridge – The Clerk met with the officer from ERYC and then he sent a letter to say that there was not enough evidence of accidents and deaths to warrant them doing anything to the bridge. At the moment it acted as a calming measure as it made traffic slow down as you are unable to pass safely on the actual bridge.
